

FUMITHERM rotary melting furnace inc. holding furnace, used O1617

manufacturer :
FUMITHERM

Product number:
O1617

Description

| | |
|----------------------------|------------------------|
| Furnace | Rotary melting furnace |
| Manufacturer | FUMITHERM |
| Designed by | DROSS ENGINEERING |
| Year of manufacture | 2003 |
| Capacity | 2000 kg |
| Melting capacity | 1000 kg/h |
| Heating | natural gas |
| Burner power | 1 burner |

| | |
|--------------------|-------------------------------|
| | 1200 kW, |
| Consumption | 1240 kWh/ton |
| Refractory | brick and beton |
| Comment | remelting of aluminium alloys |

| Holding furnace | |
|----------------------------|--------------------|
| Manufacturer | FUMITHERM |
| Designed by | DROSS ENGINEERING |
| Year of manufacture | 2003 |
| Capacity | 35000 kg |
| Power of burner | 2 burner Pyronics, |
| | 600 kW, |
| Consumption | 393 kWh/h |
| Refractory | brick |
| Delivery time: | immediately |
| Price | on request |
