

StrikoWestofen W 2300 S ProDos Dosing Furnace O1815, used

manufacturer :
Striko Westofen

Product number:
O1815

Description

| | |
|---------------------|-----------------------|
| Furnace | <u>Dosing furnace</u> |
| Manufacturer | StrikoWestofen |
| Model | W 2300 S |
| Year of manufacture | 2004 |
| Comment | for aluminium alloys |
| Technical data | |
| Control system | ProDos |
| Heating | electrical |

Technical data

| | |
|------------------|---------|
| Capacity | 2300 kg |
| Working capacity | 1800 kg |
| Heating power | 36 kW |

| | |
|---------------|-------------|
| Delivery time | immediately |
| Price | on request |
