

PSG 600 D Pneumatic Spraying Unit with rotary encoder

manufacturer :
partnership

Product number:
PS5025

Description

Pneumatic Spraying Unit	for hot chamber die casting machines
Model	PSG 600 D
Drive	vertical pneumatic drive unit
Stroke	600mm
Spray system	1 spray circuit for lubricant 1 blow circuit
Position sensor	with rotary encoder
Scale of delivery	including 5m connecting cable

	connector for die casting machine
	manual
Adapted for die casting machines	from 630kN to 1250kN locking force

Description

The PSG automated spraying system contributes an essential part in order to ensure constant production conditions for hot chamber die casting machines.

Advantages:

- Robust, die casting suitable construction
- Highest die casting quality due to optimal formation of a release agent film
- Operation and setting wire available machine control system
- Made in Germany

Options:

- High adjustable stativ with swivel joint
- Separate spraying unit control system

Delivery time	on request
